	Anti radiation mobile chip	<p>Anti radiation mobile chip is designed to protect your ear, brain and heart tissues from harmful radiation This kind of chip helps in protecting sensitive ear tissues from hazardous radiation and protect penetration of unwanted radiations into brain. Anti radiation chip for mobile is scientifically designed and they do not interfere with the phone signals ensuring no adverse impact on signal strength. Anti Radiation Chip for Mobile 1 The anti radiation chip price in India for a good chip . Anti Chip Radiation Protective Chip is one of the most trusted anti radiation chip for mobile. The CE certified anti radiation chip for mobile has also been certified by Max Healthcare, and has been reviewed by well-renowned MIT(Massachusetts Institute of Technology). The durable design makes it suitable to be used on either mobile device or cover</p>	1000	12

Anti radiation
mobile chip

PROTECTS YOUR FAMILY HEALTH FROM RADIATIONS: Anti-Radiation Chip enhances immunity by protecting against harmful health effects of electromagnetic radiation emitting from cell phones. Anti-Radiation Chip for your phones, laptops, etc. reduces the electromagnetic radiation more than 90% from any electronic gadgets. NO ADVERSE EFFECT ON USING: This protective anti-treatment radiation chip works equally well when used over a mobile cover or case. Does not interfere with the phone signals ensuring no adverse impact on signal strength. HIGHLY DURABLE & EASY TO USE: Anti-Radiation Chip is compact, non-intrusive design with easy application & adhesive for stronger grip and durability. HAPPILY, USE YOUR ELECTRONIC DEVICES: As this super powerful anti-radiation chip protect yourself from the negative electromagnetic radiation, there is no worries of using electronic devices for longer time. FASHIONABLE DESIGNS WITH COLOR CHOICES: The circular and sparkly design of these chips will add a nice touch to any kind of phones or devices, while at the same time protecting the ones you love. You can choose your desired colour of choice.production
